

Be your Best. Be your Greenest

Learn how at the
Recycling **ECO** Center

Take the Urban Corps Green Campus Tour

Have you ever wondered...

What is the big deal about recycling?

Where do all the bottles and cans go?

Why do we plant native plants and flowers?

Can a vegetable garden grow on a rooftop?

How can a building make and save energy?

How can I help save water, save energy and save the planet?

Can I grow my own healthy food?

What is clean energy?

Explore the answers at the
Recycling ECO Center!

Plus...make a surprise keepsake to take home!
